Figure 10.10 consists of three diagrams illustrating staircase design details:

- (a) Plan view of a staircase showing the layout of the stairs, columns, and dimensions. The stairs are shown in green, and the columns are shown in red. The dimensions include a total width of 7700 mm and a total length of 1000 mm. The stairs are divided into two sections, each with a width of 3778 mm. The columns are spaced at 2000 mm intervals.
- (b) Section view of a staircase showing the riser and tread dimensions. The riser height is 150 mm, and the tread depth is 250 mm. The total width of the stairs is 7700 mm. The section shows the stairs in green and the columns in red.
- (c) Section view of a staircase showing the riser and tread dimensions. The riser height is 150 mm, and the tread depth is 250 mm. The total width of the stairs is 7700 mm. The section shows the stairs in green and the columns in red.
